**FOR IMMEDIATE RELEASE**

**TEAGUE NALL AND PERKINS, INC. SELECTED IN 2004  
“BEST PLACES TO WORK IN D/FW” CONTEST**

**FORT WORTH, TEXAS (JUNE 2, 2004)** – The Dallas Business Journal has recently selected Teague Nall and Perkins, Inc. (TNP) as one of the top fifteen “Best Places to Work in Dallas/Fort Worth” among small businesses based in the metroplex. The firm has been named by the publication as a contest winner two years in a row.

TNP has received several awards based upon the firm’s excellent compensation packages and benefits, stimulating work environment, employee care/chaplain program, continuing education programs, and flexible personal time off policies. Employees enjoy numerous on-site amenities, and the firm sponsors several social events throughout the year that foster employee fellowship outside of the workplace.

TNP is a local civil engineering, surveying, and consulting firm with offices in Fort Worth, Dallas, and Denton. The firm provides consulting and engineering services for water and wastewater systems, transportation system infrastructure, drainage systems, residential development, site design, airports, digital mapping, GIS, landscape architecture, golf course architecture, sports fields, parks and trails, and information technology (IT).
